Dear Mark,

I would like to inform you that the National Cutting Horse Association reviewed the information pertaining to the LifeWave patch technology. Based on the information reviewed, the NCHA considers this technology to not be in violation of its current Medication Policy being enforced at NCHA events. The current NCHA Medication Policy would not prohibit our contestants from using this product.

This statement by no means constitutes an endorsement by the National Cutting Horse Association for the LifeWave patch technology. This in no way constitutes an authorization for LifeWave to advertise or indicate on its product or advertisements that this product is authorized by the NCHA.

Sincerely,

A handwritten signature in cursive script that reads "Jim Bret Campbell".

Jim Bret Campbell
Executive Director
